Festival for You

Every year Pennine Events manage a large number of sporting and non-sporting events. For 2016 and beyond we are offering a fantastic opportunity for a local authority, business, or charity to host a festival of your choosing that is managed by Pennine Events. We have the know-how and the team to put on the event, and now we need you to give us the reason!

Pennine Events have hosted a large number of events and festivals in the past and create an event village each time they stage an event. If you are looking for that one big occasion to bring everyone together for a common cause, then contact us at Pennine Events for more information on how we can help you.

Why not take advantage of the event and source sponsorship for your festival? Bringing in sponsors can offer you invaluable funds to help put on the event and can really add to the day. Should your require Pennine Events can source this for you.

Each festival includes the use of Cyclefresh, our healthy cycling initiative that allows your customers to use pedal power to create a healthy smoothie to enjoy with their film, all free of charge.

Working with Pennine Events we can help you to put on the festival of your choosing. All budgets will be created in consideration of your needs and wants at your request.

If this is not the event for you but you have an idea you'd like to share with us, let us know and we'll put it together for you!
