Each year Pennine Events create more and more events for a wide variety of clients, and for ourselves – get involved and join us as we create thrilling events remembered forever.

“Pennine Events were thoroughly professional throughout and supported us to produce a robust Event Management Plan. We put Pennine Events under a lot of pressure and they always delivered what we asked of them. The company was influential in ensuring that the plans we produced were robust and were implemented on the ground despite all the challenges we faced. They worked very closely with us over a period of six months and were part of the County team and have certainly taught us a lot about how to approach event planning. The event received widespread national and international acclaim.”
