Office to Office Cycle

Pennine Events want to help you to put on the best possible event and we are delighted to be able to offer you the chance to host your own office to office cycle! Each year Pennine Events work with a number of businesses, charities, and local authorities who look to us to get the very best out of their events. These include Harrogate Borough Council, Claire House Children's Hospice, Leicester City Council, British Heart Foundation, St Catherine's Hospice, Bloodwise, and many more.

We understand the need for you to focus on your staff and fundraising for your charity of the year (if you have one) and so a partnership with Pennine Events is the perfect opportunity to make this happen. Pennine Events have an extensive history of managing successful cycles, runs, walks, and everything in between having done so since 2002. Working together we will find the very best event to suit you and your staff, enabling us to create a day(s) to remember.

The Idea

Do you have:

- Multiple offices?
- Staff who are looking for a new challenge?
- Motivation?
- Enthusiasm?
- A need for fun and adventure?

If you answered yes to all of the above then get in touch with us at Pennine Events as we are ready to create a fantastic event for you and your business. The original concept revolves around **connecting working offices (within one company or more), bringing together teams who usually only connect via e-mail and over the phone**. Perhaps you have offices in Manchester and Leeds, or London and Brighton? Why not connect the two with a cycle between them, starting at either and meeting in the middle, or choosing a start and finish location for all.

Pennine Events are specialists in this type of event; having managed successful cycle events such as London to Brighton, Great Manchester Cycle, Liverpool Chester Liverpool, and Manchester to Blackpool for a number of years. Making sure that your business receives the full experience is of paramount importance to us. We will ensure that there is a vibrant start/finish area that can be set to your requirements, fun feed stations or stopovers along the route, and a theme that works for you. If you wish to add to the event along the lines of current trends of colour, bubble, paint, fancy dress and more, just ask! Let us worry about the logistics, all you have to do is have fun and enjoy a great day of building relationships within your business.

How It Will Look

If you are looking for something that can take your team to the next level, then this style of event is perfect for you. By bringing everyone together in one common cause the staff at Pennine Events will ensure that the best experience is had by all.

Following your choice of route (e.g. Birmingham Office to Manchester Office) Pennine Events will provide you with a set route and plan for the event; this could be over single or multiple days and is not restricted to the UK.

Once the route is finalised and agreed by all, we will begin work on planning the event with you in consultation throughout, agreeing on all aspects to ensure that it is exactly how you want it to be. On the first day the Pennine Events team will do everything required to bring together the team, and set off your employees with our qualified ride leaders and route support team.

Worry about nothing, enjoy everything.

What will we get from an event?

Utilising the skills and experience of the Pennine Events team your employees will receive the best care and attention to ensure that a great time is had all round. Let Pennine Events take the risk and create an event for you that will put you in a positive and forward-thinking position.
