

Night Walk – Charity Walk

Pennine Events want to help you to put on the best possible event and we are delighted to be able to offer you the chance to host your own charity Night Walk. Each year Pennine Events work with a number of charities who look to us to get the very best out of their events. These include The Christie Hospital, Claire House Children’s Hospice, British Heart Foundation, St Catherine’s Hospice, Bloodwise, and many more.

We understand the need for you to focus on your fundraisers, the need for you to bring in much needed income to aid your cause and so a partnership with Pennine Events is the perfect opportunity to make this happen. From cycling to festivals, runs to awards ceremonies and walks, Pennine Events has you covered.

The Walk

Pennine Events have an extensive history with successful Night Walks having begun the process in 2006 with The Christie Hospital. The concept of the Night Walk is simple, entertainment, fun, and lots of bright neon clothing and lights!

With regular numbers of between 300 and 500, these successful walking events bring the very best out of everyone and also bring a great sense of fundraising and charity importance to the night.

Taking place in a key location of your choosing, Pennine Events will deliver a successful evening complete with:

- Entertainers
- Full first aid provision
- Stewards
- Refreshments
- Start/finish gantry

What do you have to do for an event?

Not that much! Pennine Events are here to do the work for you. We will ensure that together we choose the right event for you; the event that will appeal to your fundraisers and as such we would ask you to ensure that your fundraisers make an appearance at your event.

Marketing

Working with our marketing team here at Pennine Events we will look to ensure that between us we get the very best out of your fundraisers. Pennine Events will be only too happy to work with you to give the public the very best chance to join up on your event. We will also between us look to target a new range of fundraisers to add to your database and boost those all-important income figures.

Volunteers

Always a crucial part of any event we would like for you to play your part and bring your incredible volunteers to the event, not to take on event production roles, but to help you to make the most of your day.

Focus on YOUR fundraisers

We understand that the donor journey means so much to you and your charity so it is therefore important to us that you have the time to focus on your donors and not the event details. Working with Pennine Events gives you the very best opportunity to ensure that you create fundraisers for life, developing that all important journey from initial enquiry to event attendance and fundraising, to becoming a committed supporter, volunteer, and eventually direct debit and legacy donor. Fundraising is about relationships, let us give you the time to develop yours.

Ideas

The main thought process behind an event will often come from what is at your disposal, what you have done in the past, what your supporters prefer, or simply a crazy idea. Talk us through your set up and we will take it from there.
