Big Bike Bash!

Here at Pennine Events we have a great history of putting on successful mass participation cycling festivals. Examples include the annual success story that is the Great Manchester Cycle, 2015's Harrogate Big Bike Bash, Leicester Castle Classic and Sky Rides, and of course our regular Liverpool-Chester-Liverpool Bike Ride that is now into its 23rd year.

Putting on a festival of cycling for your community is something that we pride ourselves on, ensuring that we give the spectators and participants the best possible experience. Included in a Big Bike Bash would be:

- Sportive (different distances available, options for participants)
- Local family ride (open or closed roads)
- Stage and entertainers
- VIP tent
- Movies in the park
- cyclefresh
- Catering
- Stunt Bike
- Big Top Circus

The event is open to be a fantastic festival of cycling that will bring the whole family out to enjoy a day of cycling in your area. All festivals can be adapted as you wish to increase or decrease in size depending upon your wishes.

“Pennine Events were thoroughly professional throughout and supported us to produce a robust Event Management Plan. We put Pennine Events under a lot of pressure and they always delivered what we asked of them. The company was influential in ensuring that the plans we produced were robust and were implemented on the ground despite all the challenges we faced. They worked very closely with us over a period of six months and were part of the County team and have certainly taught us a lot about how to approach event planning. The event received widespread national and international acclaim.”

Tom Bryant – North Yorkshire County Council, Project Manager
